

# AUTHENTIC GROWTH ALLIANCE

# ABOUT US

Online shopping is a form of electronic commerce which allows consumers to directly buy goods or services from a seller over the Internet. An online store is a website, app or platform that helps businesses sell their products or services digitally. Online stores offer convenience, accessibility, and often a wider range of products than bricks-and-mortar stores, allowing customers to browse, place orders, and make payments virtually.

# Vision Mission

## Vision

Online shopping is a form of electronic commerce which allows consumers to directly buy goods or services from a seller over the Internet using a web browser or a mobile app.

## Mission

The main objectives for establishing an online presence are: Promoting a service or product online. Selling a service or product. Providing product support or customer service.
